C/o The Terry Fox Hall of Fame
731 Runnymede Road
Toronto, ON M6N 3V7*

Dear Dr. Milner:

It is with great pleasure that I congratulate you on your induction into the Terry Fox Hall of Fame.

Terry Fox is a hero not only because of how far he dared to run, but also because the image he cast was so compelling that it at once reminded people of the challenges he had to face and the extraordinary courage with which he surpassed his disability.

Every day you help others to be like Terry Fox, to use modern technology to lead extraordinary lives. In that way you are much like Terry, a hero who reminds people that courage and determination are stronger than flesh and bone.

I thank you for your many innovations that are so effectively enhancing the lives of people with physical disabilities, and wish you every continued success in your achievements.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Witmer".
