Dear Mr. Heimann,

This refers to your application for permanent residence in Canada. We are pleased to invite you to an interview on Wednesday, March 4, 1981 at 11.00 a.m. . Should you be married, your spouse and any unmarried children between 18 and 21 years of age must accompany you. Younger children may also attend if you so wish.

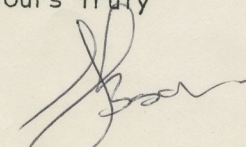

Please bring the following original documents to the interview: long form birth certificates and passports for all family members included in your application; police clearance certificates for all persons 18 years of age and over; your marriage certificate; letters of reference or appointment from your employers and certificates of education and training; and evidence of funds available for transfer to Canada. In addition, the following documents will be required:

N/A

As a number of the documents, for example, the police clearance certificates, take some time to obtain, you may wish to apply for them now. The lack of any required document should not prevent you from keeping your interview appointment. Documents not available at the interview may be provided later.

If you are unable to keep this appointment, please notify us as soon as possible.

Yours truly

7 Counsellor

P.S. We have now received an approved offer of employment on your behalf from the Readers Digest Association in Toronto.
